May/June 2021

Dear Friends and Neighbors:

The votes are counted, and we will have three new faces on the Village Board starting the second meeting in May. I want to welcome Taps Gallagher, Meredith Lannert, and Megan Lazar as our newly elected Trustees. I look forward to working with them and hearing their perspectives on the variety of issues the Village Board faces over the next few years.

As we welcome these new Trustees, I would be amiss not to mention the service of our outgoing Trustees Don Knoll, Ken Hall, and Wil Freve. I want to thank each of them for their volunteer service. Trustee Don Knoll, as the senior member of the Village Board, has served for eight years. He was a major part of many projects including the Downtown Master Plan and the Road Reconstruction Program. As Chair of the Administrative and Legislative Committee, he oversaw negotiations with the Village's garbage contractor and the eventual selection process that led to a new contract with significant savings to residents.

Completing his second term is Trustee Ken Hall. Trustee Hall is a longtime member of the Special Events Working Group that plans and organizes Dancin' in the Street. His legacy is also seen in the major development projects downtown, including the many new businesses that will be opening this summer. As Chair of the Community and Intergovernmental Affairs Committee, he assisted with projects such as the shared Westmont-Clarendon Hills Richmond Educational Gardens and Apiary.

Last, but not least, Trustee Wil Freve will also be completing his term. Trustee Freve served the last four years on the Village Board and previously served on the Village's Zoning Board of Appeals/Plan Commission. As Chair of the Public Services Committee, Trustee Freve's Committee oversaw the new Train Station and the Downtown Revitalization Project.

Each of these gentlemen truly embodies our Village's slogan, "The Volunteer Community", giving up time from their careers and/or families to attend meetings, research issues, perform their committee's duties and guide village staff for no more payment than a pat on the back. I am thankful for the commitment and service they dedicated to Clarendon Hills and am proud of the work we all accomplished during their terms.

The Downtown Revitalization program is moving along with the start of the second phase of the Train Station project, including the outbound commuter shelters and bike shelters. Just last month, the Village Board approved the preliminary design for the new plaza at the railroad crossing on the north side of Prospect. With private development also following suit, I'm excited to announce The English Garden is looking to expand into the former Ebenezer's space including a complete rehab of the first and second floor. Currently the Village has five major rehabilitation projects occurring within the Downtown TIF District, including Hamel Dental, the new Tierra Distilling Co. on Burlington, the aforementioned English Garden project, the new Open Door Taproom & Bottleshop, and the new Italian restaurant, il Mio. Construction is also in the works with the new Townhomes at Mycroft Row on Burlington Avenue. The TIF dollars from projects like these are supporting the other improvements in the downtown, just as the Board envisioned when the TIF was established. We expect the success of these new and expanding businesses to bring further investment in the coming months, so be on the lookout for more announcements.

Summer is just around the corner and we all have a lot to look forward to. Dancin' in the Street returns with a social distanced "Music Night" on June 23rd and 30th where we plan to hire multiple bands to play all over the downtown. These nights will be followed by the traditional concert every Wednesday night in July.

Hope to see you at Dancin' in the Street or on the patio of one of our restaurants!

SUMMER 2021 IN CLARENDON HILLS!

Keep up with all the events this summer by following us on Facebook!

Internet Transaction Safe Zone

Online buying and selling is an attractive way to reach large numbers of buyers and sellers. In the rush to buy or sell an item, it is easy to forget the vulnerability incurred when meeting a total stranger one on one.

The Clarendon Hills Police Department located at 448 Park Avenue, has designated the police station parking lot and the police station lobby as safe zones for online transactions. If a resident is conducting a one on one transaction where money is changing hands this is the safest place to do it.

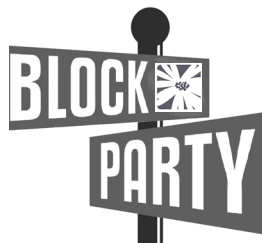

Anyone is welcome to meet buyers or sellers in the Police Department lobby during business hours. The lobby is open Monday - Friday 8 a.m. to 7 p.m. After hours, the front parking lot offers a police presence, surveillance cameras, good lighting and an emergency phone. Staff will not get involved in any transactions but can quickly respond to any situation requiring police intervention.

For more information call 630-286-5460.

Block Parties

If you are planning your neighborhood block party and your party involves closing off any part of the street you will need to fill out a Block Party Application. Reminder we only allow 3 parties within the Village per weekend.

Applications can be completed online at www.clarendonhills.us/blockparty

Dancin' in the Street

This year, we will host 2 Music Nights and 4 Summer Concerts! The Music Nights are planned to be when multiple bands will play in various locations within the downtown. There will be no stage setup, no beer tent and not as big of an affair as the concerts, but good live music!

These outdoor events are a great time to get out of the house, see some neighbors, meetup with old and new friends while hearing live music.

The 2 Music Nights will be June 23rd and 30th during the evenings. Four Concert nights - July 7th, 14th, 21th, and 28th. Music starts at 7 PM
