May/June 2022

Dear Friends and Neighbors:

Looks like spring is finally here! I am happy to report that since the last issue, two fire apparatus have been ordered, including a replacement ladder truck. This ends a long conversation and due diligence regarding the purchasing of new equipment. Our part-time/paid-on-call fire department provides a great service to the residents of Clarendon Hills at a cost far less than our neighbors that rely on full-time employees. Thank you to everyone who provided valuable input on the purchase.

Congratulations to young Clarendon Hills resident, Michael Jorski, who won the PGA Drive, Chip and Putt Championship in his division. Drive, Chip and Putt provides aspiring junior golfers an opportunity to play with their peers in qualifiers around the country. Participants who advanced through local, sub-regional and regional qualifying in each age/gender category earned a place in the National Finals, which was conducted at Augusta National Golf Club. Winning such a prestigious competition is a huge accomplishment and Michael represented our community proudly. We are excited to see what the future holds for Michael.

Outdoor dining is ready to start up again soon and because of the success of new businesses such as Il Mio, the Open Door Taproom & Bottleshop, and The George, parking is at a premium. So whether dining at these newest locations or continuing to dine at The Little Creperie, Brama La Pizza, Village Gourmet, Daily Scoop or Domino's, parking may look crowded at times but it's actually plentiful during prime dining hours. Visitors and residents can use the Metra Train Station lot for free parking after 3 pm during the weeknights and all day on the weekends. Our downtown is small enough that it's just a short walk to any of our downtown businesses from the Metra lot. Along with nicer weather comes more pedestrian traffic. Please remember to watch your speed when driving around our village and to walk your bikes and scooters in the business district when on the sidewalks.

I'm glad, as I am sure many of you are, that things are getting back to our normal life before Covid. The Chamber of Commerce, along with the Village, are in the planning stages of Daisy Days and a full six-night concert series known as Dancin' in the Street. They will be full scale events for the first time since 2019. We are all looking forward to seeing and hearing the town filled with people. This year both events are going to be a partnership with the Chamber of Commerce and local businesses. We are hoping to use the fun, family friendly events as launching points for customer relationships with our downtown businesses and a way to get people out on a Wednesday night to visit with their friends and neighbors.

The Chamber of Commerce has also organized another year of the Farmers Market, which will be held every Thursday at the Village Hall Plaza located at 1 N. Prospect. The Market kicks off May 19th from 7 am to 1 pm and will run through October 20th.

Summer is just around the corner folks and I hope to see you at Dancin' in the Street or on the patio of one of our many restaurants!

Internet Transaction Safe Zone

Online buying and selling is an attractive way to reach large numbers of buyers and sellers. In the rush to buy or sell an item, it is easy to forget the vulnerability incurred when meeting a total stranger one on one.

The Clarendon Hills Police Department located at 448 Park Avenue, has designated the police station parking lot and the police station lobby as safe zones for online transactions. If a resident is conducting a one on one transaction where money is changing hands this is the safest place to do it.

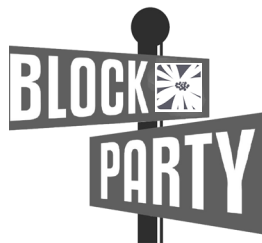

Anyone is welcome to meet buyers or sellers in the Police Department lobby during business hours. The lobby is open Monday - Friday 8 a.m. to 7 p.m. After hours, the front parking lot offers a police presence, surveillance cameras, good lighting and an emergency phone. Staff will not get involved in any transactions but can quickly respond to any situation requiring police intervention.

For more information call 630-286-5460.

Block Parties

If you are planning your neighborhood block party and your party involves closing off any part of the street you will need to fill out a Block Party Application. Reminder we only allow 3 parties within the Village per weekend.

Tree Ribbons

What do these represent? Who is taking them down? The Village receives all kinds of calls and questions when our residents show their support by hanging ribbons from parkway trees. The ribbons usually represent support to those who are grieving, support for a cause or a blue ribbon award for our great schools. However, many times Village staff are unable to answer our residents on the "who, what, where and why", the day after these ribbons are hung on trees in front of their homes. We are asking residents to complete a Tree Ribbon form when they tie ribbons onto the parkway trees. We are also asking organizers, in the spirit being a good neighbor, to remove them after two weeks. Ribbons start to look unsightly and to some residents, the ribbons are a reminder of painful memories, no matter how thoughtful the intent was when the ribbons went up. The Village's established policy and the Tree Ribbon submission form can be found at www.clarendonhills.us/ribbons

Farmers Market

The Farmers Market organized by the Clarendon Hills Chamber of Commerce starts Thursday, May 19th from 7 AM to 1 PM at the Village Hall Plaza, 1 N. Prospect Ave. It will run every Thursday from May 19th through October 20th.

4th of July Fire Works

Fire Works in Clarendon Hills are presented by the Hinsdale Golf Club. While the private golf club is not open to the public, residents are able to enjoy the fireworks from Prospect Park. Fireworks are held on July 4th around 9:30 PM.

Required - Vehicle Stickers!

Residents are required to purchase a village sticker for each vehicle they will have housed in Clarendon Hills. The annual license period begins July 1st of each year and ends on June 30th of the next year. **Stickers can be purchased starting May 1st online and May 2nd in person.** www.clarendonhills.us/stickers

New residents must obtain a Village Sticker within 30 days of moving to the Village.

Passenger Car \$40, Motorcycle \$30, and Seniors (62+) 50% off. An additional 50% late fee will be added to stickers purchased after July 31st.

Again, this year is the option of an alternative vehicle sticker. If a resident donates \$10 to support the Dancin' in the Street concert series, on top of a resident's vehicle sticker purchase, they will receive this unique sticker. You must hurry though because there's a limited number of these Dancin' in the Street vehicle stickers.

Vehicle Stickers can be purchased at Village Hall located at 1 N. Prospect Avenue Monday through Friday from 9am to Noon and 1pm to 5pm. They can also be purchased at the Police Station located at 448 Park Avenue, Monday through Friday from 8am to 7pm.
