

April 1, 2019

Dear Resident,

On Tuesday, April 2, 2019, beginning @ 7:00 am, J. Congdon Sewer Service, Inc. will be installing water main across the intersection of Walker and Hudson. As a result of this work, access to and from Hudson (west of Walker) will be completely blocked between the hours of 7:00 am and 11:00 am. If you will need to exit Hudson, please have your car moved to an adjacent street before 7:00 am. You can park your cars on the side streets of Walker (north of Hudson, Hudson (east of Walker) and Ruby. We ask for your cooperation and patience. **Emergency vehicles will always have access.**

Residents interested in updates via email should email [pnickell@clarendonhills.us](mailto:pnickell@clarendonhills.us) and state they would like to be added to the contact list. Please note the 2019 Road Improvement Program and Water Main Replacement Program web page has been setup at [www.clarendonhills.us/SSA2019](http://www.clarendonhills.us/SSA2019).

If you have any questions now, or at any time during the project, please contact our on-site engineer, Dave McGuire at: (224)-501-6301. Or you can call Public Works at: (630) 286-4750 between the hours of 7:00 am and 2:30 pm Monday through Friday. In case of an emergency, dial 911.

Thank you in advance for your cooperation during this important project.

Brendan McLaughlin Director of Public Works  
Director of Public Works
